47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. You know its the moral choice.

It sucks if you are stuck with just one or two providers.

Why would a consumer want a series of price hikes that will increase the cost of internet and telephone services?! We overpay enough as it is.

Broadband is critical to ones home, business and school.
